CANDIDATE PROJECT BRIEF & VIDEO SUBMISSION GUIDE

Teacher Recruitment – Academic Screening

Welcome to Algorithmics Test!

Thank you for applying to teach with Algorithmics 💜

We use a simple, practical video submission to assess your technical and teaching readiness.

One video per course you apply for 5 - 10 minutes total

Upload to Google Drive or Dropbox → share link

STEP-BY-STEP INSTRUCTIONS

Step	What to Do
1	Choose the course(s) you're applying for (see table below). **Quantity:** Minimum 01 video **Language:** English
2	Complete the **required project** for each course.
3	Record **one continuous video** (no edits) showing:
	→ **~2 min**: Project Overview
	→ **~3 min**: Live Demo
	→ **~5 min**: Technical Explanation (show code/workspace)
4	Save as **MP4 or MOV**, **720p+**, clear audio.
5	Upload to **Google Drive or Dropbox** → set **"Anyone with the link can view"**.
6	Email the **public link(s)** to Algorithmics Teaching Team: hr@algo.edu.vn Subject: **"Video Screening – [Your Name] – [Course Code]"**

📢 **Deadline**: Within **05 business days** of receiving this brief.

📥 **Resubmission**: Allowed **once** if video is inaudible, corrupted, or <5 min.

VIDEO STRUCTURE (MANDATORY)

Segment	Duration	What to Say & Show
1. Project Overview	~2 min	• State **project title** • List **tools/software** used • Explain **learning goal** for students
2. Usage Demonstration	~3 min	• **Run/play** the project live • Show how a student would interact
3. Technical Explanation	~5 min	• **Share screen** → open code/workspace • Point to **specific blocks, scripts, or tools** • Explain **how it works** (logic, loops, events, etc.)

💡 **Pro Tip**: Add a small face-cam in the corner to show confidence and engagement.

PROJECT REQUIREMENTS BY COURSE

Course	Required Project	Key Technical Points to Explain
CK Coding Knight	Build a **functional project** in **Scratch Junior (computer version)**	Motion blocks, trigger events, character interactions
DL Digital Literacy	3–5 slide **self-intro presentation**	Visual hierarchy, transitions, design tools
VP Visual Programming	**Game or animation** in **Scratch**	Core blocks, loops, event scripts

GD Game Development	**Simple mechanism/level** in **Roblox Studio**	Lua scripts, object behavior
WDY1 Graphic Design	**Ball with shadow & lighting** in **GIMP**	Layers, brushes, shadow technique
WDY2 Website Creation	**2-page personal site** in **Wix**	Navigation, linking, design rationale
PTS Python Start	**Unique picture** using **Turtle** in VS Code	Turtle commands, loops/iteration
PTP Python Pro	**Functional game** using **Pygame**	Game loop, event handling, modules
UGD Unity Game Dev	**Simple landscape** in **Unity Hub**	Terrain, assets, lighting, camera
FED Front-End Dev	**Self-poster/graphic** in **Figma**	Frames, components, vectors, text

---

EVALUATION RUBRIC (FOR YOUR REFERENCE)

Your video will be scored out of **20** by the Academic Coordinator:

Criterion	Max Points
Project Overview (clear& educational)	5
Usage Demo(smooth& functional)	5
Technical Explanation (in-depth, visual)	5
Overall Presentation (clear, confident, timed)	5
Pass = 14+ → Interview or Offer or, **Fail <14** → Polite rejection with feedback.	

FREQUENTLY ASKED QUESTIONS

Questions	Answers
Can I edit the video?	**No** – must be one continuous take.
What if I apply for 3 courses?	Submit **3 separate videos**, one link per course.
My video is 4:50 – too short?	**Yes** – must be **at least 5:00**. Resubmit.
Can I use a phone?	Yes, if audio is clear and screen is visible.
Need software?	All tools are **free** (Scratch Jr, GIMP, Wix, etc.).

CONTACT HR

📧 **Email**: hr@algo.edu.vn

🖊 **AC Review**: Within **2 business days** after submission

⭐ **Good luck! We can't wait to see your project in action.**
